The Christology of Rudolf Steiner

Exploring the Spiritual Reality at the Heart of Christianity

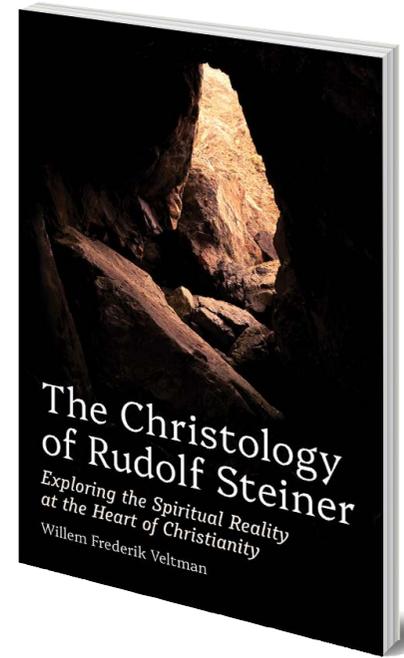

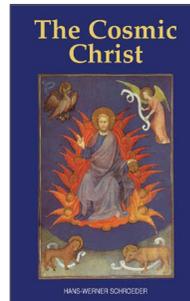

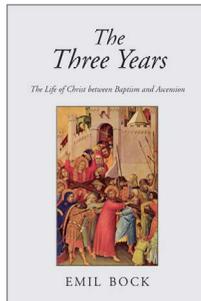

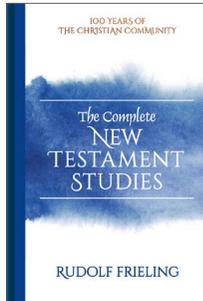

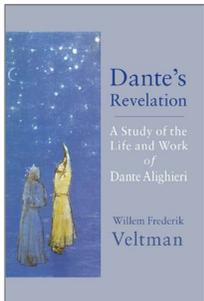

WILLEM FREDERIK VELTMAN

An accessible summary of Rudolf Steiner's complex teaching on the life and nature of Jesus Christ

- Explores intriguing topics including the births of the two Jesus children, Steiner's account of Jesus' missing years and the profound experiences that prepared Jesus for baptism in the Jordan river
- Goes beyond the gospel accounts of Christ's death and resurrection to consider what is meant by the second coming and the apocalypse, exploring their significance for the ongoing evolution of humanity
- Helps readers to acquire a deeper understanding of Steiner's insights on Christ
- Written by a respected author and anthroposophist

Willem Frederik Veltman (1923–2018) taught at the Waldorf school in The Hague, in The Netherlands for over forty years. He authored many books on culture, art history and literature, including studies on Dante and William Shakespeare.

Making Wine Sustainable

A Guide to Best Practice from Vineyard to Glass

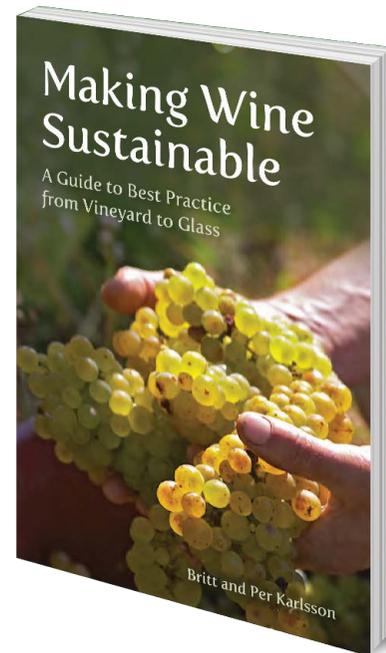

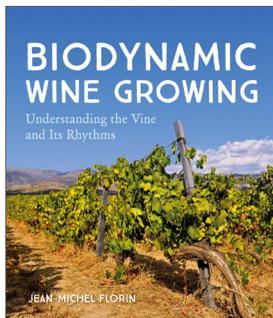

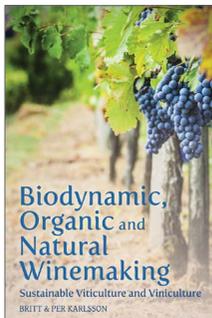

BRITT AND PER KARLSSON

An invaluable guide to best practice for modern winemakers who want to work more sustainably

- Explores the various approaches taken to environmental responsibility by wine producers across the world including insights from France, Australia, New Zealand, Chile, South Africa, USA, Spain, Portugal, Austria and Germany
- A holistic approach which includes everything from the chemicals used in the vineyard to the transportation process, and the importance of paying employees a fair wage
- Illustrated throughout with over 160 colour photographs

Britt and Per Karlsson are respected wine journalists from Sweden. They are founders of BKWine, one of Scandinavia's leading independent wine and wine tourism websites, and they run world-leading tours to wine regions around the globe. The Karlssons are co-authors of numerous award-winning books including *Biodynamic, Organic and Natural Winemaking*. Each year they visit over 200 wineries, as well as running tastings, seminars and courses. Per is also a professional photographer, specialising in wine and travel. Britt is a former Munkskänkarna Wine Personality of the Year. They live in Paris, France.

Maria Thun Biodynamic Calendar 2027

TITIA THUN AND FRIEDRICH THUN

The original, and still the best, biodynamic calendar,
trusted by generations of farmers and gardeners

- Reveals the optimum days for sowing, pruning and harvesting plants and crops to help you get the best from what you grow
- Lifetime sales of over 160,000 copies
- Presented in colour with clear explanations and a pullout wallchart
- Printed on FSC paper using plant-based inks, which reduces chemical emissions and makes this calendar easier to recycle
- Features detailed planting information, information panels and space devoted to thorough explanations
- The layflat spine makes it easy to consult the calendar, keep your place and make notes

Maria Thun (1922–2012) was a biodynamic pioneer who worked in the field for almost fifty years. Titia and Friedrich are Maria's grandchildren. Having been involved in calculating data and writing for *The Maria Thun Biodynamic Calendar* for a number of years, they took over the creation of the calendar and the management of the family farm from their late father, Matthias in 2020.

The Life of Karl König

A Biography of the Founder of the Camphill Movement

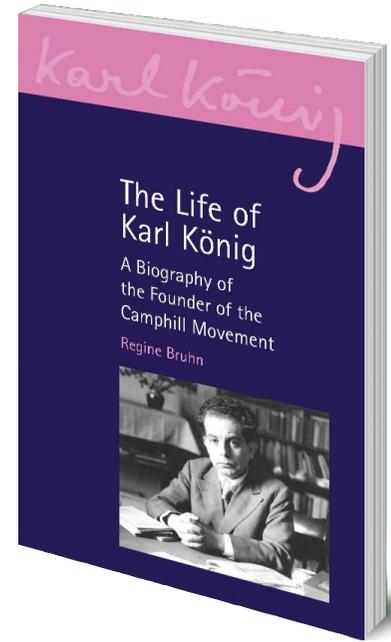

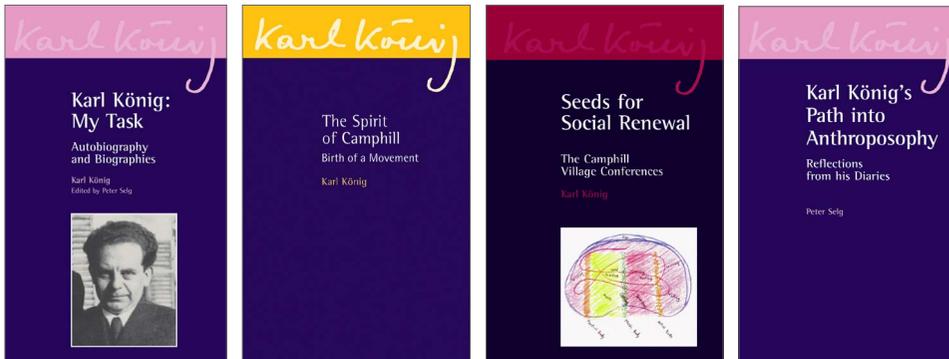

REGINE BRUHN

An engaging biography of Dr Karl König, founder of the Camphill Movement for people with additional support needs

- An inspiring portrait of a person whose ideals of compassion, dignity and human connection continue to inspire communities around the world
- Sourced from never-before published archival material and König's letters and diaries
- Written by Regine Bruhn, who lived and worked for many years in Camphill communities in Scotland
- Volume 25 in the Karl König Archive

Regine Bruhn was born in Germany and lived and worked for many years in various Camphill communities in Scotland. She was formerly a member of the Council of Camphill Scotland and sat on the Board of the Camphill Village Community Hermansberg, Germany. She is currently Chair of the Karl König Institute in Berlin, Germany.

The Complete New Testament Studies

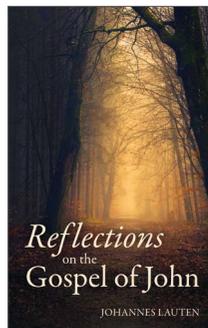

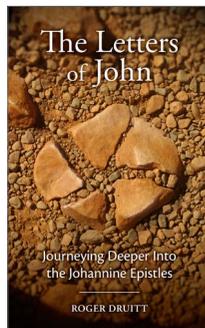

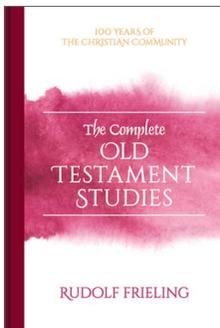

RUDOLF FRIELING

A complete collection of Rudolf Frieling's writings on the New Testament, significantly expanded from the previous edition.

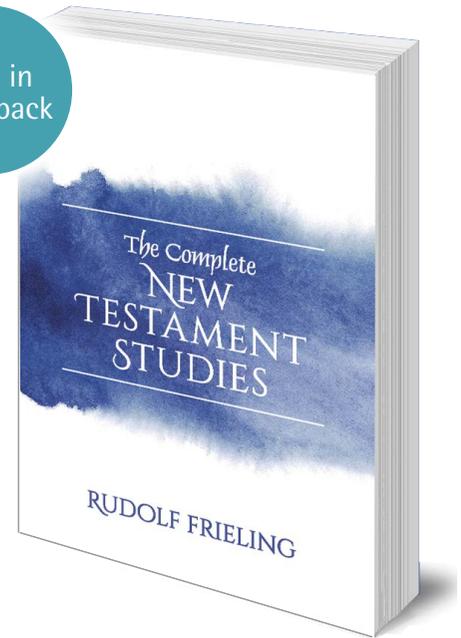

- Now in paperback for the first time, this masterful analysis of the New Testament reveals the meaning and power of the original Greek text in an accessible way
- Sheds light on difficult concepts and offers in-depth explanations of challenging passages
- Written by a highly respected authority in this area, this book comprises all of Frieling's New Testament writings, more than doubling the content of the previous edition, *New Testament Studies*

Rudolf Frieling (1901-86) was one of the founders of The Christian Community. Before becoming the leader of this movement for religious renewal in 1957, his work took him throughout Germany as well as to Vienna, Austria and New York. He was a prolific author of books on Christian thinking and his writings on the Old and New Testaments.
