Lindisfarne Books

Welcome

Dear Teachers, Parents and Carers,

Welcome to our 2025-2026 education catalogue!

Catching falling leaves, making jam from foraged berries, and long woodland walks. The Floris Books team is embracing the new season.

As the autumn school term gets underway, we bring you up to date with our latest books in this eighth edition of our education catalogue. Look out for links through to our blog where we share story extracts, activity ideas and exercises to try with your class or at home including:

- A mirroring exercise from *Living Lines: Form Drawing Inspiration for Steiner-Waldorf Teachers* by Henrik Thaulow
- The first chapter from *The Wonderful Adventures of Nils: A Classic Swedish Children's Tale* by Selma Lagerlöf and illustrated by Lars Klinting
- A magic forest game from *Physical Education and Movement in Waldorf Schools* edited by Gerlinde Idler and Lutz Gerding

We hope that these (and many other!) extra resources will help you to create inspiring and creative lessons.

If you have any questions about our books please get in touch with our Community Marketing Manager, Elaine Reid (floris@florisbooks.co.uk). We would be delighted to hear from you.

To place an order please contact us, visit our website at florisbooks.co.uk or order through your local bookshop.

Best wishes,

Katy Elaine

Katy Lockwood-Holmes, Elaine Reid & the Floris Team

Books also available as eBooks are marked with this symbol.

Our new and featured books are marked with this star.

CHILD DEVELOPMENT

The Care and Development of the Human Senses: Rudolf Steiner's Work on the Significance of the Senses in Education

WILLI AEPPLI

A presentation of Steiner's ideas on the nature of the twelve human senses as he saw them, and their role in education.

144pp | £9.99

Children's Creative Play: How Simple Dolls and Toys Help Your Child Develop

KARIN NEUSCHÜTZ

Explores children's developmental stages up to age 7, and suggests suitable toys, dolls, games and activities to nurture and develop them.

b/w illus | 120pp | £7.99

The Connected Family Handbook

LOU HARVEY-ZAHRA AND DANIELLE HARBISON

Offers practical advice and inspiring activities to encourage positive qualities in children and create a more connected family. A unique and beautiful handbook for carers of younger children based on a background of holistic child development.

colour illus | 224pp | £16.99

[Click to try an activity](#)

Educating Traumatized Children: Waldorf Education in Crisis Intervention

BERND RUF

Reveals the work of international relief organisation Friends of Waldorf Education with children in war zones and disaster areas around the world.

28 b/w illus | 220pp | £20.00

The First Three Years of the Child: How Children Learn to Walk, Speak and Think

KARL KÖNIG

The classic exploration of the first three years of a child's life from Karl König, physician, anthroposophist and Camphill movement founder, offering valuable insights into early years' development.

192pp | £14.99

Free Movement from the Very Start: Volume 1: Self-Initiated Movement and Sensorimotor Development in the Growing Child

JANE SWAIN

Volume one of two exploring self-initiated movement in early childhood. Paediatric physical therapist Jane Swain considers its influence on motor development and the development of the four foundational senses.

b/w illus | 240pp | £15.99

Growing Children, Thriving Children: Raising 7 to 12 Year Olds With Confidence and Awareness

LOU HARVEY-ZAHRA

Parenting books often forget the primary school years (7–12 years old). Experienced teacher and parenting coach Lou Harvey-Zahra offers advice, practical tips and guidance to help carers face the challenges of these middle years with confidence.

264pp | £14.99

[Click to read an author interview](#)

Helping Children Form Healthy Attachments: Building the Foundation for Strong Lifelong Relationships

LOÏS EIJENRAAM

With practical tips and real-life examples from an experienced educator, this insightful book explores how the process of healthy attachment develops in young children (until 6 years old) and how carers and educators can help in this process.

120pp | £7.99

Helping Children on their Way: Educational Support for the Classroom

ELIZABETH AUER (ED)

A collection of articles for classroom teachers who need to give support to children with additional needs.

colour illus | 314pp | £42.50

CHILD DEVELOPMENT (CONTINUED)

Phases of Childhood: Growing in Body, Soul and Spirit

BERNARD C. J. LIEVEGOED

Argues that education must take into account body, soul and spirit in order for a child to develop into a happy, wise, skilled adult.

208pp | £16.99

A Practical Guide to Curative Education: The Ladder of the Seven Life Processes

ROBYN BROWN

Drawing on the ideas of Rudolf Steiner's pioneering Curative Education course, this book goes back to basics and examines the potential benefits of this unique approach in today's classrooms.

180pp | £14.99

Raising Sound Sleepers: Helping Children Use Their Senses to Rest and Self-Soothe

ADAM BLANNING

Help children of all ages learn how to sleep, self-soothe and feel calm – using their senses. An easy-to-absorb, holistic guide from doctor and child-development consultant Adam Blanning.

192pp | £12.99

[Click to read an extract](#)

Rubicon: Selections from the Works of Rudolf Steiner

MONICA RUEF (ED)

Addresses watershed moments between the ages of 7 and 12, including the classic 9-year-old 'Rubicon' transition.

188pp | £16.99

Rudolf Steiner's Observations on Adolescence: The Third Phase of Human Development

DAVID MITCHELL AND
CHRISTOPHER CLOUDER (EDS)

A collection of Rudolf Steiner's writings on adolescence, from age 14 to 21.

176pp | £12.99

The Seven Life Processes: Understanding and Supporting Them in Home, Kindergarten and School

PHILIPP GELITZ AND
ALMUTH STREHLOW

Identifies and explores the seven physiological life processes and how they relate to the healthy development of children.

b/w illus | 180pp | £20.00

Sleep on It!: Waking Up to the Importance of Sleep

BETTY STALEY (ED)

How does the quality of a pupil's sleep affect the way they learn in the classroom? These fascinating essays from esteemed voices in Steiner-Waldorf education explore key areas including rhythms and movement.

58pp | £16.99

Tending the Spark: Light the Future for Middle-school Students

BETTY STALEY

A powerful, insightful book that clearly explains the behaviour of pre-teens and offers parents and carers ideas on how to guide their child through these challenging years.

256pp | £20.00

Transitions in Childhood from Birth to 14 Years: Significance, Challenges and Consequences – The Tasks for Educators and Teachers

SUSAN HOWARD AND
PHILIPP REUBKE (EDS)

An important collection of lectures from a 2015 conference at the Goetheanum looking at key educational questions.

colour illus | 122pp | £14.99

Understanding Child Development: Steiner's Essential Principles for Waldorf Education

ANGELIKA WIEHL AND
WOLFGANG-M AUER (EDS)

A useful volume that presents a selection of Rudolf Steiner's writings on childhood, alongside expert commentaries and essays.

234pp | £16.99

CHILD DEVELOPMENT (CONTINUED)

Understanding Deeper Developmental Needs: Holistic Approaches for Challenging Behaviors in Children

ADAM BLANNING

Examines a powerful way of looking at children's challenging behaviour and assessing suitable therapies.

524pp | £30.00

A Waldorf Guide to Children's Health: Illnesses, Symptoms, Treatments and Therapies

MICHAELA GLÖCKLER AND WOLFGANG GOEBEL

A definitive alternative guide to children's health and wellness that includes first aid, how to treat common complaints and illnesses, and advice on when to seek medical help. Based on the bestselling *A Guide To Child Health*.

248pp | £12.99

[Click for cold and flu tips](#)

Walking with Our Children: The Parent as Companion and Guide

NANCY BLANNING

Offers practical suggestions to help parents and carers of young children bring Waldorf ideas and practices into their home. Revised and expanded edition.

126pp | £13.99

Warmth: Nurturing Children's Health and Wellbeing

EDMOND SCHOOREL

A unique and practical book on one of the key building blocks of life, essential for healthy child development.

120pp | £7.99

What is This Childhood?: Finding the Spirit of Early Childhood in Language and Creative Living with Our Families

CAROL TOOLE

ILLUSTRATED BY EVA HOISINGTON

Explores the changes in a young child's consciousness as they develop through their experience of language, revealing key insights to help parents and teachers preserve a child's wonder.

colour illus | 136pp | £18.95

Why Children Need Boundaries: How Clear Rules and Healthy Habits will Help your Children Thrive

LOÏS EIJENRAAM

A practical and inspiring guide for parents with children of all ages. Explores the different types of boundaries children need at different stages.

112pp | £8.99

[Click to read an extract](#)

Why Don't Children Sit Still?: A Parent's Guide to Healthy Movement and Play in Child Development

EVELIEN VAN DORT

A practical and insightful book exploring the role of movement in child development, including spatial awareness, balance, coordination and telling right from left.

120pp | £7.99

[Click to read an extract](#)

Working with Anxious, Nervous and Depressed Children: A Spiritual Perspective to Guide Parents

HENNING KÖHLER

A lively, readable book that proposes a therapeutic approach for parents that draws on spiritual dimensions and beings such as angels.

144pp | £16.99

Young Children's Drawings as a Mirror of Development

CHRISTHILDE BLUME

A wonderful insight into a unique approach to understanding the development of individual children. Illustrated with over fifty drawings.

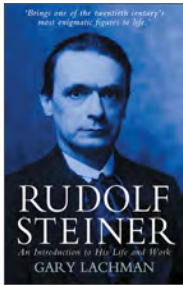

colour illustrations | 72pp | £14.99

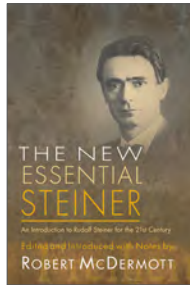

Recommended for parents and carers

Do parents ever ask you for more information on subjects related to Steiner-Waldorf education? While most of the books in this catalogue are for teachers, we also have a range of resources that might be helpful for parents and carers. We hope this selection will be a useful guide when seeking answers to FAQs!

How can we help you?

Our Steiner-Waldorf teachers hub

We know that many Steiner-Waldorf teachers visit our website to find out about books for themselves and their students. We want to make it easier for you to find everything you need.

Visit www.florisbooks.co.uk/waldorfteachers for:

- Craft and activity [tutorials](#) – new ideas for inspiring pupils at your fingertips.
- More details of all the books in this catalogue.
- A [downloadable order form](#) highlighting our complete range of books, as well as information on how to place your order.

School fairs

Are you planning a school fair or book sale? We can help!

- [Advice on what to order](#): We're happy to recommend an appropriate selection of books for your event. Just contact our community marketing manager Elaine Reid: floris@florisbooks.co.uk.
- [Special discounts to maximise your fundraising](#): Floris Books offers a special 50% discount on school fair orders. This means that for every £10 book you sell at your event, you will raise £5 for your school.

[Click here for more fundraising advice](#)

- [Only pay for what you sell](#): We offer books on a sale-or-return basis – which means that unsold books can be returned to us after your event and you won't be charged for them.

Placing an order

Whether you are stocking up your school library, sourcing workbooks for students, or looking for a gift book to present at the end of term, we are delighted to help. Please do get in touch if you need any help choosing which books to buy, or if you would like to place an order. [Discounts available when purchasing multiple copies.](#)

Have your say in what we publish

If you're a Steiner-Waldorf education writer yourself, you've spotted a gap in the market you'd like us to fill, or you know of a great resource from overseas you'd like to see translated into English, [we want to hear from you!](#)

Join our mailing list

[Sign-up to our dedicated teachers' email list](#) for information on further resources, and details of special offers for your school. Join now on our Steiner-Waldorf teacher hub.

Get in touch

We welcome contributions from members of the Steiner-Waldorf education community, including articles, blog posts and success stories from Steiner-Waldorf schools. You can get in touch with us to [share your ideas and suggestions](#) in lots of ways:
